

VOLUNTEER WITH

FINANCIAL MATTERS

Financial Matters motivates students to make sound money management decisions and become financially savvy.

ABOUT

Financial Matters equips students with the tools necessary to develop sound money management skills. Through interactive presentations, industry professionals help student become more financially literate. Available to teachers in grades 6 - 12, the program offers a variety of topics that provide real-life lessons in money management.

OPPORTUNITY

SPEAKERS educate students on a variety of financial topics. The Financial Matters Series has been developed with the help of the Allstate Foundation, the Minnesota Society of CPAs and the Foundation for Financial Planning to infuse real-world examples and interactive elements into PowerPoint presentations to provide students with hands-on experiential learning. Financial Matters offers presentations through three methods: virtual presentations, in-person presentations and our video library.

BENEFITS

- Flexible opportunities, volunteer when your schedule allows
- Volunteers inspire students to plan and prepare for their future
- 100% of students who participate in Financial Matters tell us they have a better understanding of the importance of saving and investing.
