# About Classroom Plus

Classroom Plus focuses on educating students on business and career skills. Bridging the gap between lessons learned in the classroom and skills utilized in the workplace, this program brings speakers to students in-person, virtually and through an online lesson library. It also provides workplace tours, mock interviews and Career Days.

## PROGRAM HIGHLIGHTS

- Cargill hosted 160 students at Career Day; this is the largest attendance ever.
- Mock interviews saw a 33% increase in students reached from the previous year.
- A student survey was added and automated; we now collect and review student feedback on each presentation given.

**“BestPrep provides schools with connections outside of the classroom that would otherwise be unavailable.”**
