

How to Use the Online Portal

1

Open Email from eMentors

- Each week you will receive an email from "eMentors" - inside you will be prompted to write to your mentor.
- You will be given a link which will open up a new screen where you can write to your mentor - This will be the same link each week so you can bookmark it
- Look for an email from Mentoring@bestprep.org with the Subject: Weekly Student Prompt - BestPrep Mentoring

2

Message your Mentor using the Online Portal

- Send a message to your mentor based on Guiding Questions your teacher chose.
- Type the message in the box and click Submit!
- Make a draft of your message in another app like Word. If you click on a different week, you will lose your message.

3

Read your Mentor's Email

- After your mentor writes you will receive an email with their message.
- You can also click the BestPrep Mentoring Portal link at the bottom to see your messages.

Wait for next week's message prompt

- Keep in mind that mentors may be busy, off-site, or on vacation. There is a chance there will be a delay in their response.
- Send the following week's message even if they have not responded.
