"Classroom Plus speakers open my students' eyes to possibilities they hadn't considered before."

-Kristen Power, Valley Middle School Teacher

## Program Results

- 96% of teachers reported that their students are now better prepared to enter the workforce.
- 96% of teachers agreed that their students now have a greater awareness of career opportunities.
- 97% of teachers reported that their students now have a better understanding of the skills needed for a career.

*“Classroom talks are some of my favorite activities throughout the year. I feel so much more engaged in my own work after talking to the students about my experiences.”*

-Marta Barnett, Ecolab Volunteer

## About Classroom Plus

Classroom Plus focuses on educating students on business and career skills. Bridging the gap between lessons learned in the classroom and skills utilized in the workplace, this program brings speakers into classrooms and provides mock interviews, workplace tours, and more. Due to the pandemic, BestPrep adjusted its programming to virtual in spring 2020. Rather than presenting in the classroom, volunteer speakers recorded presentations which were then assigned to students to view.
